**ORDER RE: SCOPE OF
DEFENDANTS' SUR-REPLY**

The Court is in receipt of email correspondence from the parties' counsel concerning a dispute over the scope of defendants' sur-reply to plaintiffs' motion for class certification. On January 16, 2024, the Court issued an order regarding the parties' discovery disputes, in which it granted defendants the opportunity to "file a sur-reply if warranted after plaintiffs comply with the above ordered production." Dkt. No. 209 at 6. The Court issues this order to clarify that defendants' sur-reply is permitted to address new issues raised by the supplemental discovery.
